

# The Landscape Nerd: Ana Maria Torres

This is most of the information I used- I do my best to account for all of the resources I come across or have incorporated into the episode. If there is more information that you would like to see added to this list- Let me know and email me [thelandscape nerd@gmail.com](mailto:thelandscape nerd@gmail.com).

This episode featured an interview with Ana Maria Torres of AT Architects. Originally from Spain, she has taken her work and philosophy to global heights. She believes in interdisciplinary work and values the potential of projects to encompass both the landscape and the building.

I have listed some resources connected with Ana and her work and resources to look into the names of the collaborators she mentioned.
